U.S. Pat. Nos. 5,981,047 and 5,482,780 are noted in the official search report by the European Patent Office. Three additional U.S. patents that are cited in the report were previously submitted in an Information Disclosure Statement on February 7, 2001.

In addition, one European reference, EP 0 870 695, and a database reference identified as XP 002194997 are also identified in the search report. A copy of the search report and copies of the references cited above are enclosed herewith. Also submitted is a computer printout of the Derwent Abstract of EP 0 870 695, the only reference that is not in the English language.

It is requested that the Examiner review the references and make them of record as required by M.P.E.P. § 609. It is further requested that the Examiner initial the enclosed duplicate substitute Form 1449, and return one copy to the Applicants' undersigned representative.

#### **CHANGE OF ATTORNEY ADDRESS**

Please be aware that the Applicants' Attorneys have merged their practice and changed their address. Please direct all communications to the address and telephone number listed below. Please adjust the Patent Office records for this application accordingly.

Respectfully submitted,

SCOTT HUFFER, *ET AL.*
